MEMORANDUM FOR: Executive Director

SUBJECT : Space Occupancy

1. Outside of Headquarters, [redacted]

[redacted] employees are [redacted]

[redacted] in the Metropolitan Washington area.

2. Four temporary buildings are scheduled for demolition in the next few years, and we [redacted]

[redacted] of new space to accommodate the employees now occupying or scheduled to move into these buildings to make more room at Headquarters.

3. The ten so-called permanent buildings are not to be torn down, but their use is extremely inefficient and expensive. With the exception of the Rosslyn Garage, the overt personnel office in 1016-16th Street, and certain of the OO and DODS offices in 1717 H Street, all the functions now conducted in these buildings would be more efficient if located under one roof, preferably at Headquarters.
